

AIRCRAFT & OFFICES CLEANING

Cleaning and Facilities Services for Airlines and Airports

- *There's no environment quite like an airport. From airlines' specialist needs in technology and security, through peaks and troughs in passenger flow and baggage handling, to shops and food service outlets – airports are unique. Avia Service's dedicated airport division, understands that airports are extremely dynamic environments and require equally dynamic cleaning and support services to match their needs.*
- *Our business is dedicated to meeting the needs of the aviation industry for high quality airport cleaning and support services, developing bespoke computerised inspection systems, battery-powered cleaning equipment, and environmentally friendly cleaning materials over the years to meet those needs.*

Complete Airline Airport Cleaning and Support Solution

- *Our investment doesn't start and stop with systems and equipment of course. Our rigorous recruitment process and training programmes ensure that we have the best staff for the job. Our management anticipates the changing needs of passengers and businesses, adjusting our services to meet demand. We pride ourselves on flexibility and rapid response.*

Aircraft Cleaning

- *As one of the largest aircraft-cleaning operators in Spain, our experience extends to every aircraft type. We ensure that they are dressed to impress and thoroughly checked at every stage to ensure the highest standard is always achieved. Within our group, we use the ground handling standards of the International Air Transport Association (IATA) as the basis for our service packages.*
- *Our focus is to deliver a quality service that enhances the passengers' experience.*

Aircraft Interior Cleaning Services

The Flight starts with a clean aircraft

- *Regular aircraft interior cleaning is essential to give your customers' a pleasant travel experience, but cleaning your fleet of aircraft can be a daunting task which requires a lot of cleaning management and experience.*
- *That's why airlines trust Avia Services to keep their aircraft interiors clean, providing their customers with a pleasant flying experience every time.*

Trusted experts in aircraft interior cleaning

- *Avia Services is one of the most trusted companies in aircraft interior cleaning in Spain mainland. Our team of expert aircraft cleaners aren't just ordinary cleaners, having knowledge and experience in cleaning various different aircrafts.*
- *We don't just provide a general cleaning service; we work closely with you to develop a solution that will suit your needs.*

Not just an aircraft interior cleaning company

- *At Avia Services, our team of professional aircraft cleaners work with you to efficiently solve your aircraft cleaning problems. Our reputation for responsive and reliable service has built many long term relationships with our clients.*

Aircraft Cleaning services on board I

- ***In Tidy***

The scope of the company's most basic service is dictated by the time available. Cabin seats and toilets are cleaned to an agreed specification. A limited cabin dressing is often undertaken in addition.

- ***Turnaround Clean***

This core service addresses five key areas – the cabin in general, passenger seats, galleys, toilets and the cockpit. Activities include the removal of rubbish from the seat pockets, emptying of ash trays, brushing seat cushions, crossing seat belts, vacuuming the floor, removing rubbish and cleaning of tables, toilets and galleys.

- ***Toilet and Water Services***

Undertaken with modern equipment to the customer airline's standards.

Aircraft Cleaning services on board II

- **Extended Turnaround and Night-Stop Clean**

This service includes all activities in the Turnaround Clean plus the removal of marks on all doors and surrounds and bulkheads. There is an extended work program in the passenger cabin including the sides of seats, windows and overhead lockers. Special attention is given to toilets and all galley surfaces, equipment and floors.

- **Cabin and Toilet Dressing**

A clean and comfortable cabin reassures the passenger that he or she is in the hands of professionals and creates an individual style of an airline's in-flight service. Our cabin and toilet dressing service ensures the cabin is exactly as the customer requires.⁷

Aircraft Cleaning services on board III

- **Deep Clean**

This specialized service is completed to the highest level with the use of our approved deep clean products including services like:

- carpet shampooing
- galley and toilet intensive cleans
- interior fully cleaned like hat racks, lap trays, screens, walls and seats

- *We provide services where quality is based on professional experience and expertise, the commitment of a flexible and loyal workforce, and close dialogue with our customers. Avia services has continually been developing its business by organic growth and acquisitions. We are proud to say that our work has made us market innovators in our industry. We remain proactive in listening to our customers and creating new solutions that match their individual needs and add in-flight product value. We provide efficient and cost-effective solutions, while maintaining a top quality service.*
